

# Tree Sponsorship for Light Up Inman

The holidays are upon us and the 7<sup>th</sup> Annual **Light Up Inman** is a great way for our community to kick off and celebrate the Christmas Season.

This year's **Light Up Inman** is Friday, November 30<sup>th</sup> beginning at 6:00 pm. We will "flip the switch" to light the Christmas Trees and The Town at 7 pm. This event has become a huge success and attendance grows every year.

The beauty of **Light Up Inman** is the live Christmas trees placed on Main Street. These trees are sponsored by local businesses and organizations such as yours. Your sponsorship of a live tree (complete with **lights** and **red** bows) will help make this event possible. A donation of \$50.00 will provide for the installation and maintenance of your tree as well as a sponsorship sign to recognize you and your support for the community. Your sponsorship of a tree will also be announced during the event and the tree will stay in place throughout the month of December.

**Light Up Inman** is a family event with invited performers including the Chapman band, the Chapman Chorus, local Church choirs, as well as local dance school students. Santa will be at the Kingtree for pictures, there will be train rides for the kids, carriage rides, and much more.

This will also be the 3<sup>rd</sup> year of our snowball drop. This is where we drop snowballs (that kind of resemble ping pong balls), and the lucky winners will receive a bicycle or something similar. Ages 11 and under are eligible.

We are looking forward to receiving your sponsorship donation so we are able to order the proper amount of trees.

If you have any questions about the tree sponsorship or **Light Up Inman**, please contact Kevin Newman at 472-4270 or City Hall at 472-6200

Many Thanks,

*Kevin Newman*

**Light Up Inman, Chairman**

Please Remit Payment of \$50.00 to:

**City of Inman  
20 South Main St  
Inman, SC 29349**
