

STATE OF SOUTH CAROLINA            )  
COUNTY OF SPARTANBURG            )            ORDINANCE  
CITY OF INMAN                            )

**AN ORDINANCE TO AMEND ARTICLE I, SECTION 10-9  
“SEWER TAP FEES” OF THE 2015 SEWER USE ORDINANCE.**

**BE IT ORDAINED** by the Mayor and City Council of the City of Inman:

**Section 1. Sewer Tap Fees Amended.**

Article I, Section 10-9 “Sewer Tap Fees” of the 2015 Sewer Use Ordinance is amended to read as follows:

- A. All users are required to pay a sewer capacity fee per equivalent residential unit (ERU). For the purpose of developing capacity fees, the average daily flow number is established as one ERU. An ERU provides a standard unit of measure such that fees for connections with larger than average demand requirements can be calculated on an equivalency basis. One ERU is equal to the average anticipated flow for a single-family dwelling unit with a standard 5/8 x 3/4-inch water meter. New connections with larger water meters have the potential of placing more demand on the system (i.e. require more capacity) and are assessed ERU factors accordingly. The following capacity fees are in effect for all users of the sanitary sewer system until amended by the City Council:

**SEWER CAPACITY FEES**

Meter Size	ERU Factor	Capacity Fee By Meter Size
